Notes

Debt Free Direct helps individuals find the best solution to their debt problems, based upon an analysis of their particular financial circumstances. Financial information on an individual is processed through a computer model (the Best Advice Model) developed by Debt Free Direct in order to recommend a solution suitable for that individual's particular financial circumstances. The solutions offered range from basic advice, such as simply destroying credit cards and curbing unnecessary expenditure, to the following solutions:

- consolidation loan
- re-mortgage
- informal arrangement
- individual voluntary arrangement (IVA)
- bankruptcy

Debt Free Direct is unique in the marketplace in that, unlike most of its competitors who sell specific products, Debt Free Direct looks to provide the best advice to the consumer and recommends them the most appropriate service.

Debt Free Direct is based in Chorley, Lancashire, and was admitted to AIM in December 2002.
